

A photograph of a bird, possibly a Kinglet, in flight against a clear blue sky. The bird is positioned in the center-right of the frame, with its wings spread wide. It has a brownish-grey head and back, a lighter brown breast, and a white belly. Its wings are dark with lighter patches. The bird is flying towards the left. In the bottom left corner, there are some dried, brown leaves and a small red berry. Overlaid on the image is the text 'NATURE PHOTOGRAPHY' in large, bold, yellow capital letters, arranged in three lines: 'NATURE' on the top line, 'PHOTO' in the middle, and 'GRAPHY' on the bottom.
